

# RODNEY TAKUNDA MADONDO

## Profile

Recent Information Technology graduate with a solid foundation in software engineering. Proven academic achievements highlight my dedication and hard work. With a solid understanding of multiple programming languages, I am well-prepared to tackle diverse technical challenges. Enthusiastic about continuous learning and eager to contribute to innovative projects within a collaborative team setting.

## Contact Details

Cell: **+27 65 947 3355**  
Email: [madondotakundaoriginal@gmail.com](mailto:madondotakundaoriginal@gmail.com)  
Address: **Windermere Morningside Durban 4001**

## Personal Details

Date of Birth: 28 April 2001  
Passport: **EN805581**  
Nationality & Citizenship: Zimbabwean  
Gender: Male

## Education

Institution: Richfield Graduate Institute of Technology  
Qualification: **Bachelor of Sciences in Information Technology**  
Year: 2023

Institution: Sastri College  
Qualification: **Grade 12 Certificate**  
Year: 2019

## Skills and Competencies

### Technical skills

- Programming Languages: HTML, CSS, TailwindCSS, JavaScript, React, C#, C++, Java
- HTML/CSS: Proficient in creating responsive web layouts and styling using CSS. Familiar with HTML5 and CSS3 features and best practices.
- JavaScript: Proficient in using JavaScript to create dynamic web applications and implement client-side functionality.
- TailwindCSS: Practical experience using TailwindCSS to build responsive, modern user interfaces. Comfortable with utility-first CSS and customizing components to meet design needs. Continuously improving skills through hands-on projects.

- Sass: Experience using Sass for writing clean and maintainable CSS, with a focus on nesting, partials, and modular stylesheets. Eager to expand knowledge of advanced features like variables and mixins.
- ReactJS: Familiar with React.js for building interactive UIs and creating single-page applications.
- C#: Basic knowledge of object-oriented programming concepts. Familiar with C# syntax and principles. Currently expanding proficiency through practice and self-learning, with a focus on desktop and web application development using the .NET framework.
- C++: Familiar with fundamental programming concepts such as variables, data types, loops, and functions. Able to create basic console applications.
- Java: Familiar with object-oriented programming concepts.
- Microsoft Office Suite: Proficient in Microsoft Office (Word, Excel, PowerPoint) for professional documentation and presentations.

#### **Communication skills**

- Fluent in English
- Excellent oral and written communication skills

#### **Personal Attributes**

- Ability to interact with people and maintain professionalism.
- Strong people skills.
- Presentable (Neat & Tidy)
- Organized and hard working.
- Reliable and resilient.
- Friendly yet assertive personality.
- Ability to deal with pressure.
- Balanced attitude to life and work.
- Dedicated to assigned tasks.

#### **Work Experience**

Employer: **Finfind**  
 Position: **Intern Developer**  
 Date of employment:  
 Duties

- Functional Testing: Verified new features and system changes for correctness.
- Bug Identification and Reporting: Documented and reported issues to facilitate timely fixes.
- Regression Testing: Ensured latest changes did not impact existing functionalities.
- Documentation: Maintained detailed records of test cases, procedures, and results for clear communication.
- Collaborative Problem-Solving: Collaborated with senior developers to understand requirements and suggest improvements.
