Personal Information

Title	Mr
Surname	Madondo
First Names	Rodney Takunda
Gender	Male
Health Condition	Excellent
Birth Date	28 April 2001
Nationality	Zimbabwean
Passport Number	EN805581
Postal and Residential Address	Windermere Morningside
Postal Code	4001
Cell phone Number	0659473355
Email Address	madondotakundaoriginal@gmail.com
Home Language	English
Other Languages	IsiZulu
Criminal Offenses	No

Formal Information

Secondary Education:

High School	Sastri College
Highest Grade Passed	12
Year	2015-2019
Subjects	Mathematics Physical Sciences Engineering Graphics and Design Geography Afrikaans English Home Language Life Orientation

Tertiary Education:

Institute	Richfield Graduate Institute of Technology
Year	2021-2023
Field of Study	Bachelor of Sciences in Information Technology Relevant coursework: Data Structures and Algorithms, Object-Oriented Programming, Web Development, Database Systems
Modules	2021: Information Systems 511 & 512(Distinction)

	<p>Programming 511 & 512(Distinction)</p> <p>Web Technology 511 & 512(Distinction)</p> <p>Networks 511 & 512(Distinction)</p> <p>Mathematics 511 & 512(Distinction)</p> <p>2022:</p> <ul style="list-style-type: none"> - Information Systems 621 & 622 (Distinction) - Programming 621 & 622(Distinction) - Database Systems 600(Distinction) - Cloud Computing 600(Distinction) - Internet Programming 621&622(Distinction) - Big Data and IoT 600(Distinction) - Machine Learning 600(Distinction)

PERSONAL SKILLS, KNOWLEDGE & ABILITIES

Summary

As a recent graduate in Information Technology with a passion for software engineering, I am seeking a role. My academic achievements reflect my dedication and hard work, and my proficiency in multiple programming languages has equipped me with a versatile skill set. I am committed to continuously enhancing my technical skills and contributing to innovative projects in a collaborative team environment.

Technical Skills

- Programming languages: HTML/CSS, JavaScript, C#, C++, Java
- HTML/CSS: Proficient in creating responsive web layouts and styling using CSS.

Familiar with HTML5 and CSS3 features and best practices.

- JavaScript: Proficient in using JavaScript to create dynamic web applications and implement client-side functionality. Familiar with popular frameworks such as React.
- C#: Proficient in object-oriented programming concepts and using C# to develop desktop and web applications. Familiar with .NET framework and Visual Studio.

- C++: Familiar with fundamental programming concepts such as variables, data types, loops, and functions. Able to create basic console applications.
- Java: Familiar with object-oriented programming concepts
- Microsoft Word, Microsoft Excel, 70 wpm typing speed
- **Tools and technologies:** Visual Studio, Visual studio code, Apache NetBeans, CodeBlocks.

Projects

- Responsive Landing Page: Developed a responsive landing page using HTML, CSS, and JavaScript for Frontend Mentor's "Huddle Landing Page with a Single Introductory Section" challenge. Implemented CSS Flexbox and Grid for layout and added interactive features like a mobile navigation menu and a form with validation.
- Time Tracking Dashboard: Developed a responsive time tracking dashboard using HTML, CSS, and JavaScript for Frontend Mentor's "Time Tracking Dashboard" challenge. Utilized CSS Grid and Flexbox for layout and implemented features like filterable data tables and interactive charts using charting libraries like Chart.js.
- Calculator App: Developed a fully functional calculator web application using HTML, CSS, and JavaScript. Implemented features such as arithmetic operations,

keyboard support, and responsive design for seamless user experience. Technologies Used: HTML, CSS, JavaScript
